The Official Monthly Publication of the St. Louis Radio Control Flying Association

APRIL 2015

The Toledo Show Toledo OH

The nation's largest RC show, The Weak Signals', Toledo Show was April 1st-3rd. A few SLRCFA Club members had the opportunity to attend. Hundreds of vendors were present, selling all of the latest gear and upstairs was one of the largest swap meets you have ever seen. It is a great show to attend if you have the opportunity to attend.

The model competition was a great sight to see. Great models everywhere!!

Have an interesting aviation or hobby related story/experience you would like to share? Want to let fellow members know about your latest build? Or perhaps a tip or technique that could help everyone out?

Get it published in SLRCFA's Rotate newsletter. It's simple, send your story and pictures to SLRCFA's newsletter editor via e-mail to slrcfa.rotate@gmail.com and it will be published in the next month's issue.

Indoor Flying

Has the weather been keeping you from flying? There is a solution close to home. Many SLRCFA members have been flying Friday nights 6-9pm indoors at the Central Baptist Church in Eureka, MO. All are welcome to fly for \$5 a night, but must be a current AMA member (SLRCFA membership not required). It's a great way to brush on your flying skills, not weather dependent, and Fun!!
