SLRCFA'S 3RD ANNUAL WARBIRDS OVER ST. LOUIS

SLRCFA is hosting its 3rd annual Warbirds Over St. Louis Flying event October 3rd and 4th, 9:30am-5pm each day.

This event is \$5 per car for spectators.

Pilots pay a \$15 weekend landing fee and this includes 1 meal ticket to be used on Saturday. Pilot's prizes will be awarded at 5pm on Saturday. Pilots must be current AMA members and must present waivers (if applicable) to fly. ALL warbirds or any military aircraft may fly at this event. This includes Jets (turbine, gas/glow, or EDF), giant scale, standoff scale, fun scale, Helicopters, and parkflyers. Aircraft may be powered by Gasoline, Glow fuel, Turbine or Electric propulsion systems. If it looks like a genuine

warbird....it flies!!! All pilots are encouraged to attend the daily pilots meeting at 9:15am. Any pilot that cannot attend the pilot meeting needs to be briefed by the Event CD (Jonathon Hendrickson) before flying.

Updates will be posted later in Rotate, Facebook, and by Email.

Show Me 3d Flying Event

SLRCFA hosted the 1st Annual "Redwing RC, Show Me 3d" flying event August Friday 21st through Sunday the 23rd. This event will brought pilots in from all over the Midwest, including sponsored pilots. We had 47 registered pilots, hundreds of spectators, vendors, food trucks, face painting, and night flying.

Planning preparations for next year's event are underway.

Please support the great companies that support our flying events!!

Redwing RC and SLRCFA would like to thank the following sponsors.

Life Down Under

Ken Merrill has been in Australia for work for the past few months. Since then he has found a RC club nearby to fly at and has started taking flying lessons. The other day he reached a milestone and had his first solo flight. He shared this moment with us by sending this picture.

Ken is flying a Bristell LSA. For more information about this aircraft visit their website. <http://www.bristellaircraft.com/slsa/>

Ken is expected to return home sometime in January with his Australian pilots license.

Indoor Flying

Has the weather been keeping you from flying? There is a solution close to home. Many SLRCFA members have been flying Friday nights 6-9pm indoors at the Central Baptist Church in Eureka, MO. All are welcome to fly for \$5 a night, but must be a current AMA member (SLRCFA membership not required). It's a great way to brush on your flying skills, not weather dependent, and Fun!!
